Plaintiff Wright, Sr. Bey Motion To Objection

To The Honorable Charles S. Coady Order

On Motion Passed Down On August 17,

2006

I Richard Wayne Wright, Sr. Bey AIS # 187140, Plaintiff, Pro-Se., Comes Now, in the above style in objection to the Honorable Charles S. Coady Order On Motion (Court Doc. No. 202).

Plaintiff Wright has reach a never ending cycle of retaliation under the Authority of the Alabama Department of Correction officials (namely) Mr. Mark Bruton (here after referred to as defendant Bruton). Defendant Bruton stated on August 16, 2006 He was going to be sure I don't get out of Prison before he retires.

I wonder do this plan of defendant's Bruton involves the ideas of Mr. Charles Blackledge and Ms. Sherry Seals 'whom' defendant Bruton worked with and under such supervision as a classification specialist at Bullock Correctional Facility (here after referred to as (B.C.F.)) and now here at Ventress Correctional Facility here after referred to as (V.C.F.) defendant Bruton function as a supervisor of the classification staff at Ventress (V.C.F.) Defendant Bruton official capacity extend to the segregation committee (member) in which defendant Bruton function as also. On August 16, 2006 I met with the segregation committee (here after referred to as Seg. board) defendant Bruton told me while directing Warden D. Parker, Lt. M Taylor, Chaplain Rieben and ofc. Alexandra out of the seg cell. Defendant Bruton has made many statement (as to) him' contacting the parole board to make sure I don't make parole. Defendant Bruton has made me to know that I have him to contend with Defendant Bruton has a hard time excepting I am intitled to be treated fairly and as a human being as well as a citizen of the United states inspite of the

racial 'Class' I have been placed in among these prison officials. Due to the absent of an attorney or land outside legal representation these prison officials has demonstrated no regard to the support of the Constitution of the United States. Constitution of the State of Alabama or the Administrative Regulations of the Alabama Department of Correction Defendant Bruton has went so far as to instruct Ms <sup>R.W.W.</sup> ~~Pittman~~ Pittman (Classification Specialist assign to plaintiff case load) to inform plaintiff Wright that ~~I~~ now have a pending disciplinary but I'm still uncertain when or how it will be <sup>R.W.W.</sup> ~~execute~~ executed as she indicate on a semi-Annual review Form 'she' recently prepared. See Exhibit two (2) Semi Annual Review). These officials here at Ventress (V.C.F) have went far far beyond the retaliation I faced at Bullock (B.C.F.), I've been put in segregation and in the absent of legal representation the officials /defendants vary from: "Forbidding me access to religious material, Tampering with my Food, Failing

to respond properly to requests made for protection away from Sgt S. Carter, Ofc. R. Brown and Ofc L. Richardson, prosecuting plaintiff for practicing customary religious practices of a Moslem which includes proclaiming my nationality (Moorish American (M.A.)) to be fully recognized by the government [not] as a 'Black' or 'African American' but a Moorish American in which I was born and raised in and under.

These defendants actions indicate since I did not take heed to Lt. J. Dowling threat on November 21<sup>st</sup> 2005 and Lt. J. Dowling and defendant Bruton superficial orders which Sgt. S. Carter, Sgt. C. Longmire, Ofc R. Brown, Ofc. L. Richardson which carried out an assault upon me and and acts to conceal the assault on November 23, 2005 and an attack on November 23, 2005 executed upon participants of ~~Ramadan~~ our religious gathering of Ramadan. (See Exhibit Three (3) (Memorandum) This is a list approved inmates participating in Ramadan). An Attorney

in my behalf is needed For this  
 as well to stop this level of re-  
 taliation. Plaintiff Wright Faced  
 (After the assault) deliberate indif-  
 ferences which involved Ofc. D. Pullom  
 Captain L. Monk, Warden D. Parker and  
 Warden J.C. Giles, resulting in several  
 disciplinary infractions placed upon  
 me (See Exhibit one (1) Time sheet)  
 Outside of the assistance of an  
 attorney plaintiff shall Face Further  
 damage to his Complaint by defen-  
 dant shifting the blame among  
 Officer and health care providers  
 Done this the 24th day of  
 August 2006.

# HEPATITIS B VACCINE

## WHAT YOU NEED TO KNOW

### 1 Why get vaccinated?

Hepatitis B is a serious disease.

The hepatitis B virus (HBV) can cause short-term (acute) illness that leads to:

- loss of appetite
- diarrhea and vomiting
- tiredness
- jaundice (yellow skin or eyes)
- pain in muscles, joints, and stomach

It can also cause long-term (chronic) illness that leads to:

- liver damage (cirrhosis)
- liver cancer
- death

About 1.25 million people in the U.S. have chronic HBV infection.

Each year it is estimated that:

- 80,000 people, mostly young adults, get infected with HBV
- More than 11,000 people have to stay in the hospital because of hepatitis B
- 4,000 to 5,000 people die from chronic hepatitis B

Hepatitis B vaccine can prevent hepatitis B. It is the first anti-cancer vaccine because it can prevent a form of liver cancer.

### 2 How is hepatitis B virus spread?

Hepatitis B virus is spread through contact with the blood and body fluids of an infected person. A person can get infected in several ways, such as:

- by having unprotected sex with an infected person
- by sharing needles when injecting illegal drugs
- by being stuck with a used needle on the job
- during birth when the virus passes from an infected mother to her baby

About 1/3 of people who are infected with hepatitis B in the United States don't know how they got it.

Hepatitis B

7/11/2001

### 3 Who should get hepatitis B vaccine and when?

- 1) Everyone 18 years of age and younger
- 2) Adults over 18 who are at risk

Adults at risk for HBV infection include:

- people who have more than one sex partner in 6 months
- men who have sex with other men
- sex contacts of infected people
- people who inject illegal drugs
- health care and public safety workers who might be exposed to infected blood or body fluids
- household contacts of persons with chronic HBV infection
- hemodialysis patients

If you are not sure whether you are at risk, ask your doctor or nurse.

- ✓ People should get 3 doses of hepatitis B vaccine according to the following schedule. If you miss a dose or get behind schedule, get the next dose as soon as you can. There is no need to start over.

		WHO?		
Hepatitis B Vaccination Schedule		Infant whose mother is infected with HBV	Infant whose mother is not infected with HBV	Older child, adolescent, or adult
WHEN?	First Dose	Within 12 hours of birth	Birth - 2 months of age	Any time
	Second Dose	1 - 2 months of age	1 - 4 months of age (at least 1 month after first dose)	1 - 2 months after first dose
	Third Dose	6 months of age	6 - 18 months of age	4 - 6 months after first dose

- The second dose must be given at least 1 month after the first dose.
- The third dose must be given at least 2 months after the second dose and at least 4 months after the first.
- The third dose should *not* be given to infants under 6 months of age, because this could reduce long-term protection.

Adolescents 11 to 15 years of age may need only two doses of hepatitis B vaccine, separated by 4-6 months. Ask your health care provider for details.

Hepatitis B vaccine may be given at the same time as other vaccines.
